Dear Mr ~~Bullo~~ *Wally*

BANKSIA ENVIRONMENT AWARDS

I would like to extend my congratulations to Atlas Dry Cleaners on being selected as a finalist in the 2003 Banksia Environment Awards.

As a Banksia finalist and an ambassador of Western Australia, your company has shown considerable innovation in environmental management and conservation actions. I would also like to personally commend your company for its commitment to environmental protection.

Without the commitment of people such as yourselves, the very important task of protecting our environment would be significantly harder. I know that you are very proud of your company's achievements and I am sure now that you have received public recognition of your outstanding achievements. The Western Australian community is now also justifiably proud of your company's achievements.

Once again, congratulations and thank you for your contribution to the West Australian Environment.

Yours sincerely

Judy Edwards
